Now I wanna gal not the fickle kind to hold me like a
clinging vine
And that's the kind of girl I could adore
With flowin' hair and lovin' eyes a sweeter love that
satisfies
That's the kind of love I'm looking for
She will be my little misses we'll live on hugs and kisses
Honey won't we have a lot of fun
Just kiss me morning, noon and night with lips that kiss
like dynmite
That's the kind of love I'm looking for
[steel]
Now you will be my turtle dove in little house on a hill of
love
Honey I will love you more and more
Each day will be a honeymoon and we'll just stay at
home and spoon
That's the kind of love I'm looking for
She will be my little misses...
[guitar]
She will be my little misses...
