Wait a little longer please Jesus there are so many still  
wandering out in sin  
Just a little longer please Jesus a few more days to get  
our loved ones in

Here the labor is so hard and the workers are so tired  
And our weary hearts are yearning for a rest  
And we find we're gettin' anxious to be in that happy  
home

Where we'll receive such peace and happiness  
But wait a little longer please Jesus...

[ guitar ]

We may look into the skies and tears will fill our eyes  
When our burdened hearts grow heavier with each day  
First we cry oh Lord please come come and take your  
children home

Then we look around and suddenly we say  
But wait a little longer please Jesus...
