Your name is beautiful
An angel's name by far
Your name is beautiful
Because you are

Your eyes are beautiful
Your lips are lovely
And all is beautiful
When you're with me

I long to whisper
Your beautiful name in your ear
And shout it over the rooftops
For all the world to hear

Your name is beautiful
You make it sound divine
Life will be beautiful
When you're name's mine

I long to whisper
Your beautiful name in your ear
And shout it over the rooftops
For all the world to hear

Your name is beautiful
You make it sound divine
Life will be beautiful
When you're name's mine
