What's the time?
Well it's gotta be close to midnight.
My body's talking to me it says time for danger.
It says I wanna commit a crime.
Wanna be the cause of a fight.
Wanna put on a tight skirt and flirt with a stranger.
I've had a nack from way back. I'm breaking the rules
once I learn the games.
Get up life's too quick, I know some place sick where
this chick'll dance in the flames.
We don't need any money.
I always get in for free.
You can get in too if you get in with me.
Let's go out tonight.
I have to go out tonight.
You wanna play let's run away.
We won't be back before it's Christmas day.
Take me out tonight.
Meow hah! Ooohohoooh yeah.
When I get a wink from the doorman, do you know how
lucky you'll be
that you're on line with the feline of avenue B.
Let's go out tonight.
I have to go out tonight.
You wanna prowl be my night owl.
Well take my hand we're gonna howl out tonight.
In the evening I've got to roll.
Can't sleep in the city of neon and chrome.
Feels too damn much like home when the spanish
babies cry.
So let's find a bar so dark we forget who we are
And all the scars of the nevers and maybes die!
Let's go out tonight uhuh.
I have to go out tonight. uh uh uh uh oww!
Your sweet wanna hit the street.
Wanna wail at the moon like a cat in heat.
Just take me out tonight.
Please take me out tonight.
Don't forsake me out tonight.
I'll let you make me out tonight.
Tonight tonight tonight!
