Baby, baby, I'm aware of where you go
Each time you leave my door
I watch you walk down the street
Knowing your other love you're gonna meet

This time before you run to her
Leaving me alone and hurt
Think it over, haven't I been good to you?
Think it over, haven't I been sweet to you?

Stop! In the name of love
Before you break my heart
Stop! In the name of love
Before you break my heart, think it over, oh

I've known of your secluded nights
I've even seen her, maybe once or twice
Oh, but is her sweet expression
Worth more than my love and affection

This time before you leave my arms
And rush off to her charms
Think it over, haven't I been good to you?
Think it over, baby, I've been sweet to you?

Stop! In the name of love
Before you break my heart
Stop! In the name of love
Before you break, break my heart, think it over

Think it over

I've tried so hard to be patient
Hoping you would stop this infatuation
Each time you are together
Now I'm so afraid that I'm losing you forever

Stop! In the name of love
Before you break my heart
Stop! In the name of love
Before you break my heart

Oh, baby stop! In the name of love
Before you break my heart, think it over
