Color and warmth came into your world  
it makes me crazy  
If you dont get what you want, you scream and you shout  
You're still a baby  
Don't give me a line  
Keep the lid on the bottle this time  
Im still a lady  
I won't do it tonight, I wont do it tonight  
No way baby  
I won't give in and I wont feel guilty  
(I won't give in and I won't feel guilty)  
Rant and rave to manipulate me  
(Rant and rave to manipulate me)  
>From the nipple to the bottle  
Never satisfied  
(From the nipple to the bottle never satisfied)  
>From the nipple to the bottle  
Now the cow must die  
(From the nipple to the bottle now the cow must die)  
Power and wealth surrendering myself  
It ain't easy  
Ebarrassing my store by opening up my door  
When it's breezy  
You've showed me your force  
Exaggerated stamina and energy  
No place for that  
No place for that  
It's not that easy  
I won't give in and I wont feel guilty  
(I won't give in and I won't feel guilty)  
Rant and rave to manipulate me  
(Rant and rave to manipulate me)  
>From the nipple to the bottle  
  
Never satisfied  
(From the nipple to the bottle never satisfied)  
>From the nipple to the bottle  
Now the cow must die  
(From the nipple to the bottle now the cow must die)  
You aint gon get it, I aint gon give it  
you aint gon get itm I aint gonna give it

Color and warmth came into your world
