Private life, drama baby leave me out.
Private life, drama baby leave me out.
Private life, drama baby leave me out.
Private life, drama baby leave me;
Getting tired of your theatrics, your acting is a drag.
It's okay on T.V. 'cause you can turn it off,
But don't try me.
Yes your marriage is a tragedy but it's not my concern.
I'm very superficial I hate anything official.
Private life, drama baby leave me out.
Private life, drama baby leave me out.
Private life, drama baby leave me out.
Your sentimental gestures only bore me to death.
You've made a desperate appeal now save your breath.
Attachment to obligation through guilt and regret shit
that's so
wet,
And your sex life complications are not my
fascinations.

Private life, drama baby leave me out.
Private life, drama baby leave me.
Private life, drama baby leave me out.
Private life, drama baby leave me out.
You ask me for my advice I say, 'Use the door.'
You're still clinging to somebody you deplore.
And you want to use me for emotional blackmail.
I just feel pity when you lie and contempt when you cry.
Private life, drama baby leave me out.
Private life, drama baby leave me out.
Private life, private life, leave me out.
Private life, drama baby leave me out.
