The old man said to me

Said don't always take life so seriously

Play the flute

And dance and sing your song

Try and enjoy the here and now

The future will take care of itself somehow

The grass is never greener over there

Time will wear away the stone

Gets the hereditary bone

Chorus

Don't try to live your life in one day

Don't go speed your time away

Don't try to live your life in one day

Don't go speed your time away

The old man said to me

Said you can't change the world single-handedly

Raise a glass enjoy the scenery

Pretend the water is champagne

And fill my glass again and again

While the wolves are gathering round your door

Time will wear away the stone

Gets the hereditary bone
The old man said to me
Said don't always take life so seriously
Play the flute
And dance and sing your song
Try and enjoy the here and now
The future will take care of itself somehow
The grass is never greener over there
Time will wear away the stone
Gets the hereditary bone
I tried to live my life in one day
Don't go speed your time away
I bit off more than I can chew
Only so much you can do
Wolves are gathering round my door
Ask them in and invite some more
I tried to live my life in one day
Don't go speed your time away
