Never gonna let you go  
Ain't gonna let you go  
Never gonna let you go  
Ain't gonna let you go  
Till you clean up the sea  
The water you left in me  
Never gonna let you go  
Ain't gonna let you go  
You took a piece of history  
My own history  
You took a piece of history  
My own history  
Then you came like a tree  
You tried to put your roots in me  
Never gonna let you go  
Ain't gonna let you go  
You gotta make a sacrifice  
An ancient sacrifice  
You gotta make a sacrifice  
That everyone is a child of heaven  
No single one can rule over all  
Does an ancient law have a modern meaning?  
Does making love make or break the fall  
Of mankind?  
Just thought I'd let you know  
Just thought I'd let you know  
Just thought I'd let you know  
Just thought I'd let you know  
Cause everyone is a child of heaven  
No single one can rule over all  
Does an ancient law have a modern meaning?  
Does making love, making love  
Never gonna let you go  
Ain't gonna let you go  
Never gonna let you go  
Ain't gonna let you go  
Never gonna let you go  
Ain't gonna let you go  
Never gonna let you go  
Ain't gonna let you go
