Specialty By Howard Jones.

-----  
Don't chop off his head  
To make yourself look tall  
Don't tear a strip off  
To make yourself feel wonderfull  
Who wants to compare ?  
As if this was a compertition  
Leave that to teachers at school  
Must preserve the tradition  
It's about time you realised  
You are a specialty  
There is no one like you  
You spend your life worrying  
About what you could have been  
Can't you like being you  
Don't need a scalp

Don't need to be a juror  
Take care of yourself  
No need to feel so insecure  
Waste of energy  
To prove you're holier than him  
Waste of energy  
To find out who commits what sin  
It's about time you realised  
You are a specialty  
There is no one like you  
You spend your life worrying  
About what you could have been  
Can't you like being you
