"What Is Love"

I love you whether or not you love me

I love you even if you think I don't

Sometimes I find you doubt my love for you

But I don't mind

Why should I mind, Why should I mind

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

Can anybody love anyone so much that they will never
fear

Never worry never be sad

The answer is they cannot love this much nobody can

This is why I don't mind you doubting

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

And maybe love is letting people be just what they want
to be

The door always must be left unlocked

To love when circumstance may lead someone away
from you

And not to spend the time just doubting

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway

What is love anyway, does anybody Love anybody
anyway
