If I try to take you there, would you come with me? The reason flies, the fear is scare, the ocean loves the sea If I try to take you there, would you come with me? The reason flies, the fear is scare, the ocean loves the sea Rhythm is love Heaven is just another world For the feelin called Musical Color is lust Because all of the sexual "thangs" we do In my mind I trust you make em all colorful Chorus I'd like to put you In such a romance Take you down To Paris, France Leave the café and the bars Walk the wintry boulevards Is that a smile I see ? Well, maybe your not even Looking at me 'cause if you smile for no reason The season is lost But if your love is the rhythm Ma rhythm is love Chorus Ma rhythm is love Coming at you Just like this!
