Rickie Lee Jones)

The most as you'll ever go  
Is back where you used to know  
If grown-ups could laugh this slow  
Where as you watch the hour's snow  
Years may go by

So hold on to your special friend  
Here, you'll need something to keep her in:  
"Now you stay inside this foolish grin..."  
Though any day your secrets end  
Then again  
Years may go by

You saved your own special friend  
Cuz here you need something to hide her in  
And you stay inside this foolish grin  
When every day now secrets end  
Oh, and then again  
Years may go by
