[Intro]

Ohhhh

(I like this right here...yeah)

(Carl Thomas)

Ohhhh

(Sounds so good..don't you agree?...yeah)

(The bad boy of Soul)

(Chicago's own..Carl Thomas)

This is oh so crazy

Coz i love my baby

And i do anything that she wants to make her happy

It's the way she holds me

And the way she hugs me

Got me rushing home

Can hardly wait to have her near me

(And i can't seem to get her off of my mind)

Just like a diamond or some kind of precious treasure

'n it's never too much, coz i love her so much

Coz you know that I'm the only one who's gonna treat

you like a jewel

(What you want what you need tell me girl)

Know that it's guaranteed

(I'll give you...)

I'll give you what you like

From me to you..got to be..there for you

There for you baby girl

I'll give you anything

Let me know (let me know)

If you can (if you can)

Go with me (go with me)

To the land (to the land)

Ecstasy (Ecstasy)

I'm your man (I'm your man)

This i know, understand

Believe me girl

I got a plan

Anyone you know i can

Make you do the things you do

Girl i give my love to you

(And i just can't seem to walk away no)
But just like a fortune or some thing no-one can
measure
And it's never too much
Coz i love her so much
Coz you know that I'm the only one who's gonna love
you like a jewel

(wont you tell me girl that it's guaranteed)
You know that it's guaranteed
Baby
(I'll give you anything)
I'll give you anything
I'll give you what you like
From me to you..got to be..there for you
Gonna be there for you
(I'll give you anything)
I'll give you anything

(What you like)
What you like
(what you need)
What you need
(tell me girl)
Tell me girl
(Y'know that it's guaranteed)
You know that it's guaranteed
(I'll give you anything)
I'll give you anything

(What you like)
(me to do)
Me to do
(got to be)
Got to be
(there for you)
There for you baby

(I'll give you anything)
I'll give you anything
(All for love)
Yeah yeah
Y'know i'll do anything
Just to keep you baby
(All for you)
Don't you know i will do Anything
(Anything)
Just for you

(What you like)

What you like
(what you need)
What you need
(tell me girl)
Tell me girl
(It's guaranteed)
You know that it's guaranteed
(I'll give you anything)
I'll give you anything

(What you like)
(me to do)
Me to do
(got to be there for you)
Coz I'm gonna be there for you

(I'll give you anything)
I'll give you anything
(What you like)
What you like
(what you need)
What you need
(tell me girl)
Tell me girl
(It's guaranteed)
You know that it's guaranteed
(I'll give you anything)
I'll give you anything
