>Carl<

I always dreamed that everything would be okay with  
me and you  
But I ways wrong  
When I looked into your eyes I didn't see all the things I  
used to see  
What's going on?

(-1)(Faith)

You gave me reason to believe that we were always  
meant to be but now I see  
You were wrong  
You can't keep running back to me with all those "Baby,  
baby pleases"  
No more, no more

(Chorus)

Never imaged you would be a faded picture I'm  
emotional >I'm emotional<  
Guess I'll be leaving, your deceiving, it's official I'm  
emotional >so emotional<

(Faith)

I can't forget that night I saw you in the corner wrapped  
up tight  
You were wrong  
Slow dancing on the floor while I was watching from the  
door  
So hurt, there you were

(Repeat 1)

(Repeat chorus)

(Bridge) (Faith) >Carl<

You had your chance (had your chance)  
But you threw it all away (yes you did)  
Thought you had my love always (no)  
(>Oh babydon't understand< (I don't understand)  
Why'd you think that we could stay? (oh no)  
In total unhappiness (unhappiness)

(Repeat Chorus till end)
