Whoooooooooaaaa
Oooooooh
Oooooooh

Every time he broke your precious heart
And did it with no regret
Oooooooo
Every time he started going off
And showed you no respect
Oooooooo
Every time he used to scream on you
As if you were a child
Oooooooo
Every time he didn't tell you the truth
One lie after lie

I'm gonna make it all
Make it all
Make it all right
Make it all
Make it all
Make it all right (repeat X1)

Oooooooh
Every time he went and stayed out all night
And left you home alone
Oooooooh
Every time you would have been alright
If he just picked up the phone
Oooooooh
Every time you wanted to up and leave
But you didn't quite know how to
Oooooooh
Every time you wanted someone like me
To love and cherrish you
Oooooooh

I'm gonna make it all
Make it all
Make it all right
Make it all

Make it all
Make it all right (repeat X2)

You don't have to look no
Don't have to look no further
Cause I am right here for ya
Oooooooooo
With me things will be better
Cause I'm not out to hurt ya
I'm just here to love ya
Oooooooooo Oooooooooo

I'm gonna make it all
Make it all
Make it all right
Make it all
Make it all
Make it all right (repeat X6)
