"Oh No (You Can't Be Serious)"

I can hear it in your voice
the way you been talking
sounds like you giving up on loving your man
i can see it in your eyes
the way that you been looking
looks like someone has stolen your soul
and im losing control

and you left my heart in shambles
oh no
oh no
you cant be serious
to leave this love of mine oh baby
oh no
oh no
you cant be serious
to leave this love of mine oh baby

you left my heart in shambles
i can see it in your life
the way you been living
looks like youre bout to change
but my love for you remains the same oh
i see it in your eyes
the way you been loving
i know its really hard to focus
when you going through the motions

you left my heart in shambles
oh no
oh no
you cant be serious
to leave this love of mine oh baby
oh no
oh no
you cant be serious
to leave this love of mine oh baby

i can see it in your eyes
the way that you been looking

looks like someone has stolen your soul
and im losing control and i
you left my heart in shambles

oh no
oh no
you cant be serious
to leave this love of mine oh baby
oh no
oh no
you cant be serious
to leave this love of mine oh baby
