Verse 1:

What's the reason you are so sad
I don't think that I have seen you frown like that
I thought that I made you smile
But I haven't seen you do that in a while
You say he called you
And he said he loves you still
In your eyes I see you miss him
Did you bring me in your life to help you deal

Hook:

Another night
Now I'm feeling down
Rebound
My heart can't help but frown
Rebound
There's enough to go around
Rebound

Verse 2:

You know I love you
You know I care
There is nothing I want more than to be there
The words I say come as a friend
'Cause it seems the world we share's about to end
Oh please be careful
Don't let your heart and mind stay at war
All the things That cause you pain
Well it seems they are all knocking at your door

Hook:

Another night
Now I'm feeling down
Rebound
My heart can't help but frown
Rebound
There's enough to go around
Rebound

Verse 3:

So I guess I'll go
Pick up the pieces where they fall

After all I have found
The choice that I have left is to rebound

Hook:
Another night
Now I'm feeling down
Rebound
My heart can't help but frown
Rebound
There's enough to go around
Rebound
