Carl Thomas - Somethin' Bout You

There are certain feeling  
that I have for you  
They've been bubbling  
Since the day that we were introduced

[BRIDGE]

I don't know what to do  
Cause I'm so gone Over you  
And I... don't know why  
I feel this way

[CHORUS]

Don't quite know what it is  
Something bout you baby  
Something bout you baby  
Not for sure what it is  
Something bout you baby  
Something bout you baby

It's the little...  
things you do that turn me on.  
Like a pillow...  
you're so soft, baby we belong together

[BRIDGE]

[CHORUS] (2x)

Is it your voice or way that you talk  
Whatever it is I'm loving it  
Is it your eyes  
Or pretty smile  
Whatever it is, I'm loving it.

[CHORUS] (2x)

Something bout you Something bout you  
Something bout you Something bout you...
