Woke up in the morning, you were not there  
All I seen was an imprint of your head  
In my pillow, weeping willow  
Why'd I treat you so bad  
I shoulda known one day that you'd be gone  
You shoulda known one day that I'd be gone  
You shoulda known one day that we'd be

Why did you have to be this way  
Baby all you had to say  
Was that you were sick and tired of the man I began to  
be  
But you planned a great escape  
Bright and early before I wake  
We both knew we had to break  
You coulda chose a better way

Woke up in the morning, you were not there  
All I seen was an imprint of your head  
In my pillow, weeping willow  
Why'd I treat you so bad  
I shoulda known one day that you'd be gone  
You shoulda known one day that I'd be gone  
You shoulda known one day that we'd be

It was cold the way you left  
Still the pain is in my chest  
Because in my heart I felt you shoulda came and talked  
to me  
If you put away your pride  
And look deep into my eyes  
It woulda been to your surprise  
That I got up to apologize  
But you were gone  
Woke up in the morning, you were not there  
All I seen was an imprint of your head  
In my pillow, weeping willow  
Why'd I treat you so bad  
I shoulda known one day that you'd be gone  
You shoulda known one day that I'd be gone  
You shoulda known one day that we'd be

Woke up in the morning, you were not there  
All I seen was an imprint of your head  
In my pillow, weeping willow  
Why'd I treat you so bad  
I shoulda known one day that you'd be gone  
You shoulda known one day that I'd be gone  
You shoulda known one day that we'd be

Oh I thought we had forever, now it's gone  
It's time to carry on  
I thought that you made me happy  
But it's this thing that's come between us girl  
At one time you were my world  
Now it seems it's gone away, gone away

Woke up in the morning, you were not there  
All I seen was an imprint of your head  
In my pillow, weeping willow  
Why'd I treat you so bad  
I shoulda known one day that you'd be gone  
You shoulda known one day that I'd be gone  
You shoulda known one day that we'd be
