before i wake,
We both knew we had to break, you could have chose a better way.

(chorus)

Woke up in the morning you were not there,
All I see is an imprint of your hair,
On my pillow, we've been wilowed,
Why'd I treat you so bad,
I should have known one day that you'd be gone
I should have known one day that i'd be gone
I should have known one day that you'd be gone

It would have been to your surprise, that i wanted to apologise,
but you were

(Chorus)

(Bridge)

What i thought we had forever now has gone, its time to carry on,
I thought that i made you happy,
But all these things, that come between us girl, at one turn is in our world,
Now it seems have gone away, have gone away.

(Chorus)

(Bridge)

(Chorus to fade)
