Back and forth and
Back and forth and
Back and forth and
Back and forth again

Welcome to the lights of the big casino
Baby, don't you know that cash is king?
You pays your money and you takes your chances
Honey, take my hand and we'll dance the night away

Get ready, get, get, get ready like a hot machete
Get ready get, get ready get
Get, get ready like a hot machete
Get ready get, get ready get

Back and forth and
Back and forth and
Back and forth and
Back and forth again

Lights out in the disco
Come meet me out on the dance floor
We're bringing bodies back to life
Just like we all were born tonight

Get ready, get, get, get ready like a hot machete
Get ready get, get ready get
Get, get ready like a hot machete
Get ready get, get ready get

Everybody get yourself up
'Cause you know, you want to get down
(You want to get down)
We got the lights down low
'Cause we know you want to get down
(You want to get down)
Alright, my people

Love ain't always a party
Love ain't always a party
Love ain't always a party
Love

Get ready, get, get, get ready like a hot machete
Get ready, get, get ready get
Get, get ready like a hot machete
Get ready, get, get ready get

Everybody get yourself up
'Cause you know you want to get down
(You want to get down)
We got the lights down low
'Cause we know you want to get down
(You want to get down)

Back and forth and
Back and forth and
Back and forth and
Back and forth again
