Hey, Mr. Big Shot, hey, Mr. Big Shot  
You wanna take, take, take it to the parking lot?  
Hey, Mr. No Show, hey, Mr. No Show  
Come on out now, bring out that ego  
Don't think we won't get to the bottom of this

Say whatever you want to  
Lookin' on the bright side, actin' like you're alright  
Oh, no, this won't be the last time  
Say it like you mean it 'cause you're never going to get  
it  
Like this time, so let it ride

Hey, Mr. Big Shot  
Hey, Mr. Big Shot

Hey, Mr. Big Shot, hey, Mr. Big Shot  
Come on swing it like a natural  
Busy on the outside, busy on the outside  
But dead on the inside  
Don't think we won't get to the bottom of this  
Your lips keep moving but I don't hear what you're  
saying

Say whatever you want to  
Lookin' on the bright side, actin' like you're alright  
Oh, no, this won't be the last time  
Say it like you mean it 'cause you're never going to get  
it  
Like this time, so let it ride

Hey, Mr. Big Shot

Hey, Mr. Big Shot  
Say whatever you want to  
Lookin' on the bright side, actin' like you're alright  
Oh, no, this won't be the last time  
Say it like you mean it 'cause you're never going to get  
it

Say whatever you want to  
Lookin' on the bright side, actin' like you're alright

Oh, no, this won't be the last time  
Say it like you mean it 'cause you're never going to get  
it  
Like this time, so let it ride, so let it ride

Hey, Mr. Big Shot
