I'm not taking one step closer  
Unless you make me move  
And I'm not asking if you're happy  
'Cause I already know

Love is all ready singing back  
Whether you're ready  
I will take you somewhere

Wherever you are  
I'm waiting, waiting for you here  
No one has to know  
That I'm always waiting for you here

I came in through the door was open  
I can't believe I'm here  
Could take a picture of you sleeping  
Or just take you with me

Love is all ready singing back  
Whether you're ready  
I will take you somewhere

Wherever you are  
I'm waiting, waiting for you here  
No one has to know  
That I'm always waiting for you here  
Waiting for you here  
Waiting for you here  
Waiting for you here

Love is all ready  
Whether you're ready

Love is all ready singing back  
Whether you're ready  
I will take you somewhere

Wherever you are  
I'm waiting, waiting for you here  
No one has to know  
That I'm always waiting for you here

Waiting for you here  
Waiting for you here  
Waiting for you here

Wherever you are  
I'm waiting, waiting for you here  
No one has to know  
That I'm always waiting for you here

No one has to know  
No one has to know  
No one has to know  
No one has to know  
No one has to know
