"The Queen City Song"

We took your body
Turned to ash
Down by the waterside
We watched the reason your dust collides

I watched the old man cry from the otherside
No, no it won't help you
No, no it won't

Lost inside a day that never happened
To feel this way again year after year
In the back of your mind
I'll find you, I'll find you-uu
In the back of your mind

Everyone holds on to someone they loved
That's how the trouble starts
That's when it falls apart
Tell me this is not the end
Of everything I've ever known
Everything I've ever known

No, no it won't help you
No, no it won't help you

Lost inside a day that never happened
To feel this way again year after year
In the back of your mind
I'll find you, I'll find you-uu
In the back of your mind

Lost inside a day that never happened
To feel this way again year after year
In the back of my mind
I'll find you
In the back of my mind
