Don't tell me not to love you
Not to love you
I love you

Tell me I can't have you
Tear my dreams apart
Tell me if you have to
Make my heartaches start

[CHORUS]
But don't tell me
Not to love you
For I'll always love you
With all of my heart

[VERSE 1]
Tell me you can't be mine
Now or any day
Tell me that it's foolish
To go on this way

But don't tell me
Not to love you
For I'll always love you
Yes I'll always love you
No matter what you say

[Repeat VERSE 1]

But don't...
Don't tell me not to love you
For I'll always love you
Yes I'll always love you
No matter what you say
