As you walk
As you talk
With the one you love
Do you know just how lucky you are

When you stroll
Hand in hand
Beneath the moon above
Does your heart sing how lucky you are
(How lucky)

[CHORUS]

There's so many heartaches
In this world of ours
But sometimes a dream will come true

[VERSE 1]

When the one that you love
Is in love with you
That's the greatest of blessings
By far
And you don't
Know how lucky you are

[Repeat CHORUS]

[Repeat VERSE 1]
