I still get jealous
When they look at you
I may not show it
But I do

It's more than I can bear
When they start to stare
Guess they think you're
Too good to be true

I still get jealous
When we kiss goodnight
Unless you hold me
Extra tight

And, dear, I know a secret
You didn't think I knew
I still get jealous
Cause it pleases you

I still get jealous when
We kiss, kiss goodnight
Unless you hold me
Extra tight

And, dear, I know a secret
You didn't think I knew
I still get jealous
Cause it pleases y-o-u
I still get jealous
Cause it pleases y-o-u
Yeah, I still get jealous
Cause it pleases you, yeah
