I woke up crying
Crying over you
I saw you in my dreams
Kissing someone new
I woke up crying
What am I to do
My eyes are never dry
Since I lost you
[CHORUS]
Eyelids (?) are trembling
As I realize
How much I love you
Through tear-filled eyes
[VERSE 1]
I woke up crying
Darling can't you see
I'll go on crying
'Til you come back to me
[Repeat CHORUS]
[Repeat VERSE 1]
