Blue, songs are like tattoos  
You know Ive been to sea before  
Crown and anchor me  
Or let me sail away  
Hey blue, here is a song for you  
Ink on a pin  
Underneath the skin  
An empty space to fill in  
Well therere so many sinking now  
Youve got to keep thinking  
You can make it thru these waves  
Acid, booze, and ass

Needles, guns, and grass  
Lots of laughs, lots of laughs  
Everybodys saying that hells the hippest way to go  
Well I dont think so  
But Im gonna take a look around it though  
Blue, I love you

Blue, here is a shell for you  
Inside youll hear a sigh  
A foggy lullaby  
There is your song from me
