Don't worry 'bout me
I'll get along
Forget about me
Just be happy, my love

Let's say that our little show is over
And so the story ends
Why not call it a day, the sensible way
And still be friends

Look out for yourself
That should be the rule
Give your heart and your love to whomever you love
Darlin', don't be a fool

Why do we cling to this old faded thing
That used to be
So if you can forget
Then you don't worry about me

Why should we cling to some old faded thing
That used to be
So if you can forget
Then you don't worry about me
