Got to be a winner, trophy winner
Number one
Get to hold your head up high up

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

Number one, number one
Honey tell me, when your working day is done?
Were you reaching for the high rung
Reaching to be number one

Got to be a winner, trophy winner
Number one
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up

Get a car, you want a boat
You want an eenie-meenie-miney, miney-moe
Oh, there must be more to living
Than a mortgage and a lawn to mow

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

Sweaty work and lucky breaks
And blood and tears is all it takes
To be a winner

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

People cheer, people gasp
People want your autograph
When you're a winner

Got to be a winner, trophy winner
Number one
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up

Win and loose, win and loose
To the loser, thought I had to lose
To the victory goes to spoil in
Honey, did you win or loose?

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

Swear the world, lucky rains
Like your tears is politics
Got to be a winner

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

People cheer, people gasp
People want your autograph
When you're a winner

Got to be a winner, trophy winner
Number one
Get to hold your head up high up
Number one
Get to hold your head up high up

Run, run, run, run, let's see you run
We'll be betting by the starting gun
Shall we shower you with flowers
Or shall we shun ya
When your race is run?

Got to be a winner, trophy winner
Number one
Get to hold your head up high up

Will we shower you with flowers
Or will we shun ya
When your race is run?

Got to be a winner, trophy winner
Number one

Get to hold your head up high up

Will they shower you with flowers
Or will they shun ya
When your race is run?

Number one
Got to be a winner, trophy winner
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up
Number one

Got to be a winner, trophy winner
Get to hold your head up high up
Number one
