Willy is my child, he is my father  
I would be his lady all my life  
He says he'd love to live with me  
But for an ancient injury that has not healed  
He said I feel once again  
Like I gave my heart too soon

He stood looking through the lace  
At the face on the conquered moon  
And counting all the cars up the hill  
And the stars on my window sill

There are still more reasons  
Why I love him

Willy is my joy, he is my sorrow  
Now he wants to run away and hide  
He says our love cannot be real  
He cannot hear the Chapel's peeling silver bells  
But you know it's hard to tell  
When you're in the spell if it's wrong or if it's real

But you're bound to lose  
If you let the blues get you scared to feel  
And I feel like I'm just being born  
Like a shiny light breaking in a storm

There are so many reasons  
Why I love him

Willy is my child, he is my father
