You've changed  
The sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart  
You've changed

You've changed  
Your kisses now are so blase  
You're bored with me in every way  
I can't understand  
You've changed

You've forgotten the words, "I love you"  
And the memories that we've shared  
You've ignored all the stars up above you  
I can't realize that you ever cared  
You've changed

You're not the angel I once knew  
No need to tell me, I know we're through  
It's all over now  
You've changed

You've forgotten the words, "I love you"  
And the memories that we've shared  
You ignore all the stars up above you  
I can't realize that you ever cared  
You've changed

You're not the angel I once knew  
No need to tell me, I know we're through  
It's all over now  
You've changed
