Out of all the safe roads promised,
We return to the one with no self control.
It's a fuel to the fire that should never burn
While everything around us is so dry.
Oh up in smoke we go.
Oh up in smoke we go.
Oh up in smoke.

I have no time girl,
To play this game with you.
I have a queen.
Why would I settle for a fucking maid?
Don't bring me back to this game.

Before you get any ideas, clean yourself off.
Oh, you'll get burned.
How many others will it take to reach your goal?
You're never complete.
But still you can sit here and spread it time after time.

I have no time girl,
To play this game with you.
I have a queen.
Why would I settle for a fucking maid?
Don't bring me back to this game.

Go put your sorrows girl,
On someone else.
My bet is it's going to end with heartache.
Spread your legs one time.
Spread your legs two times.
We both know this is pathetic.

I have no time girl,
To play this game with you.
I have a queen.
Why would I settle for a fucking maid?
Don't bring me back to this game.

I have a queen.
Why would I settle for a fucking maid?.
Why would I settle for a fucking maid?.

Don't bring me back to this game (this game)
This game, to this game, to this game.

If you play with fire, you'll get burned.
If you play with fire, you'll get burned.
