How far back, can you remember?
Did the ice stop your heart?
Oh wait, that was me,
Oh wait that was me.

I froze to death.
My last words choking your breath.

Do the words still haunt you? Can you secure it's claim?
Bottled up like smoke floating over flames.

I have no soul, no conscience.
Floating for one meaning.
Three words, I left you with
Three words, I left you with

Do the words still haunt you? Can you secure it's claim?
Bottled up like smoke floating over flames.

I left you with one promise.
I hear your heart call my name.

Do the words still haunt you? Can you secure it's claim?
Bottled up like smoke floating over flames
