What kind of girl
Is so hot hot
Baby please keep going
Don't stop stop
I think your hot u think I'm not not
Xo xo Woho oh woho

Let the spotlight
Shine in your face
I wonder what the inside of your mouth taste

Hey I've been feeling poor
No other girl will love me
Instead they'll shut the door
But I'll make the sun be your spotlight
But first What kind of girl
Are you pulling a trick on me
I really love u I wont let go
What kind of girl
Woho oh woho

What kind of girl
Who can take a shot shot
I think she's so hot hot
Everyone thinks not not
I think hot hot

Let the spotlight
Shine in your face
I wonder what the inside of your mouth taste

Hey I've been feeling poor
No other girl will love me
Instead they'll shut the door
But I'll make the sun be your spotlight
But first what kind of girl
Are you pulling a trick on me
I really love you I wont let go
What kind of girl

What kind of girl

What kind of girl
Haves a face that's bueaty
What kind of girl
What kind of girl
Is so hot hot

Hey I've been feeling poor
No other girl will love me
Instead they'll shut the door
Hey I've been feeling poor
No other girl will love me
Instead they'll shut the door
But I'll make the sun be your spotlight
But first what kind of girl
Are you pulling a on me
I really love you I wont let go
What kind of girl
Woho oh woho oh woho
