Yes sir
Here I come
I'm comin' for a taste of your love
Here I come, baby
'Cause I like what you do for me
Little by little
Bit by bit
I'm fallin' in love all over - again
Here I come
I'm comin' for a taste of your love
Here I come now baby
Just like I did before
And I'm comin' back
'Cause this time I'm sure
It takes two to make it
And I know you can take it - again
Here I come
I'm back for a taste of your love

Here I come
Yes I'm comin' back for you now
Guitar
What you did
Just come down on me
You got the lock pretty baby
But I got the key
Little by little
Bit by bit
I'm fallin' in love all over - again
Here I come
I'm comin' for a taste of your love
Here I come now baby
Back for a taste of your love
Even though I'm comin' back
for - a taste of your love
I'm gonna come on
Come on back over here
You know I'm gonna come back now baby
