I can't believe what I've seen
I been forsaken, I been deceived
Cast aside and left behind
I can't believe my own eyes

I been waiting for the glory
Of the coming of the Lord
I heard a lot of stories
But my prayers have been ignored

I been waiting in the wings
Between the ocean and the shore
This time I'm leaving to stay
I'm falling away

I seen the red sky up in the morning
I seen the low tide slipping away
I do believe I'll take the warning
Taking my leave to stay

Now I been waiting for the glory
Of the coming of the Lord
I heard a lot of stories
But my prayers have been ignored

I been waiting in the wings
Between the ocean and the shore
This time I'm leaving to stay
I'm falling away oh in love

Like an Angel
Afraid to fly
Like the last lonely rose
Left hanging along the vine

I been waiting for the glory
Of the coming of the Lord
I heard a lot of stories
But my prayers have been ignored

I been waiting in the wings
Between the ocean and the shore

But this time I'm leaving to stay

I been waiting for the glory
Of the coming of the Lord
I heard a lot of stories
But my prayers have been ignored

I been waiting in the wings
Between the ocean and the shore
But this time I'm leaving to stay
And I'm falling away, oh I'm falling away
