Yeah Iâ€™m tired of sighing  
tired of worrying you too  
Iâ€™ve made up my mind  
what Iâ€™m gonna do  
Iâ€™ve got my clothes in a matchbox  
gonna forget about you

Iâ€™ve tried to tell you many times  
but I never could do it  
you believe me baby, this time Iâ€™m through  
I got my clothes in a matchbox  
Iâ€™m gonna forget about you

Now when things get harder and rough on you  
you donâ€™t try to get me back, baby  
Because Iâ€™m through  
Iâ€™ve got my clothes in a matchbox  
Iâ€™m gonna forget about you
