I see a red door  
And I want it painted black  
No colors anymore  
I want them to turn black  
I see the girls walk by  
Dressed in their summer clothes  
I have to turn my head  
Until my darkness goes  
I see a line of cars  
And they're all painted black  
With flowers and my love  
Both never to come back  
I see them turn their heads  
Quickly look away  
Like a newborn baby  
It just happens every day  
I look inside my self  
See my heart is back  
I see my red door  
And I want it painted black  
Maybe then I'll fade away  
And not have to face the facts  
It's not easy facing up  
When your whole world is black  
No more will my green sea  
Go turn a deeper blue  
I could not foresee  
This thing happening to you.  
If I look hard enough  
Into the setting sun,  
My love will laugh with me  
Before the morning comes
