[RZA]

Yo it's the sexcapades, the sexcapades

(Chorus)

Baggin' ladies drive 'em crazy

That's my every day routine

Have 'em buggin' it sayin' they lovin' it (baby)

Saying, "Oh we love Rakeem"

And as I kiss 'em I just diss 'em

With a symptom of my love

And once they're afflicted

They're addicted 'cause they want you like a drug

[RZA]

So let me speak (speak)

On the code I seek

How many freaks can I bag in the course of a week?

(Uh huh)

Yo check this

They trip with the quickness

The freak that we speak will walk out with swiftness

Once captivated (captivated) right

They become trapped to date it

Sexually enfactuated (By who)

By the stigma that this kid hooked

The brain

What this is the is sexcapades (Aight)

Episode 1 I'm down by the store

Saw a young girl that I wanted to explore

I said, "Peace, yo my name is Rakeem"

She replied, "Hi my name is Charlene"

"But all my friends they call me Cha Cha"

I said, "Word, then you can call me Ra Ra" (Ra Ra)

She said, "Ra are ya' rowdy?"

I said, "Naw that's not my style see"

But brothers run it true that have game (right)

Who like to lounge and get poo-tang

All night (Uh huh)

That was the end of a dramo

Now that you know go back in the condo

She had a grill like a night trick

The poo-tang pie braid and hat trick  
Now the Ra was on a mission  
I did the humpty hump in a vertical position

(Chorus)

Baggin' ladies drive 'em crazy  
That's my everyday routine (Word)  
Have 'em buggin' this (Ra had 'em buggin')  
Sayin' they lovin' this  
Sayin', "Oh we love Rakeem"  
And as I diss 'em I just kiss 'em  
With a sympom of my love  
And once they're afflicted  
They're addicted (Rakeem)  
'Cause they want you like a drug

[RZA]

Hey yo yo let's get on with the episode (episode)  
Scene 2 I'm walkin down Clove road  
A day a gloomy day  
A gray coat cover  
No light because the sky was gray  
But I was looking dope if I must so (You can say so)  
But my gear was in it like Prego  
And as I walk I saw up ahead of me a girl  
Eyes gray green like a pedigree  
And then and now I didn't want to pass that  
I gave an eye so I could sweat her assests  
She essential influential body potential  
So another lover tied into  
Yo but not a moment to waste  
I slide over like I was flying the whole thing  
Yes I was successful  
Using my special  
Wu-Tang slang that capture the brain  
Next step was yes yep  
Not to disrespect (Nope)  
But I must protect my rep (You got to)  
And after here I told her to entice me  
She said it's too late 'cause she was a wify  
I said, "Listen baby check it"  
It's one or the other  
Lier lover sucker or fucker  
And guess which choice she chose? (Which one)  
A brother had her lying in my bed with no clothes  
And the Ra was all eyeing her  
But you can save that nicey shit for your mama  
DMD thinks I'm deadly (downtown)  
And she sounds like cats in over...(Growl)

(Chorus)

Baggin' ladies drive 'em crazy  
That's my everyday routine (Yea)  
Have 'em buggin' this (Ra had 'em buggin'"  
Sayin' they lovin' this  
Sayin', "Oh we love Rakeem"  
And as I kiss 'em I just diss 'em  
With a symptom of my love  
And once they're afflicted  
They're addicted (Rakeem)  
'Cause they want you like a drug

Yea it's the sexcapades the sexcapades  
The sex the sex the sexcapades

Yo what time is it kid?  
Yo It's time to get laid  
And It's the sexcapades (Word)  
Yo what time is it kid?
