She said, "Hey hello there"
As her eyes were dancing all around me
She told me her name sweetly
It felt like I knew her like I never knew someone before

Well, I found her now I can stop holding my breath
I tell all my friends over and over again

I said, "There ain't no woman like the one I've got
Yes I know, yes I know"
I said, "There ain't no woman like the one I've got
Yes I know, yes I know", that's right

Whatever you need just tell me
And I'll do all I can to please you
Yes, I don't mind where you lead me
'Cause anywhere you go girl is everywhere I want to be

Oh, I never felt so high
It feels real for the very first time

'Cause there ain't no woman like the one I've got
Yes I know, yes I know
I said there ain't no woman like the one I've got
Yes I know, yes I know

There was a time when my heart was dragging on the
floor
And I thank God for the day that I saw your face
And you smiled at me and you took my hand
And you stole my heart away

Lost all my friends
'Cause I ain't got time left for them

Because there ain't no woman like the one I've got
Yes I know, yes I know
Because there ain't no feeling like the one I've got
Yes I know, yes I know
There ain't no one like the one I've got
There ain't no one like the one I've got, baby
