Ooh, ooh, ooh
When I was only just a friend to you
All I wanted to do is get to know you better
Now I wanna give my heart to you
Tell me do you feel like I do when we're together

[Chorus]
Cause I come alive with your touch
Your touch it always sets me free
I can't get quite enough
Too much of you is what I need
Yes I know you're the one
Cause love has come alive in me

Tell me am I out of line (ooh, ooh, ooh)
Tell me if I'm wasting time, I don't mind
Giving my love to you
I can't help it baby
If I asked you would you say I do

[Chorus]
Cause I come alive with your touch
Your touch it always sets me free
No, I can't get quite enough
Too much of you is what I need
Now I know you're the one
Cause love has come alive in me - yeah

[Break - 9 measures]

Babe, why do I always have to tell you how I feel
Can't you see you're the one, the only thing
That ever meant something to me
And I need your touch
To come alive

[outro]

(I come alive, I come alive, I come alive)

Ooh, oh, oh -Nothing else is like the way you make me

come alive babe
