Iâ€™ve been thinkinâ€™ how we used to be before
Now that Iâ€™ve been sleeping all alone
Itâ€™s kinda funny but I thought Iâ€™d miss it more
But instead Iâ€™m sleeping like a stone

Well, Iâ€™ll be honest cuz it hasnâ€™t been easy
Getting out into the unknown
Every time I start to feel a bit queasy
I remember to unplug the phone

And yes, we tried
But I could not get over
All the times you had to lie
Itâ€™s been hard
But I am finally ready
To look past your charm

Do you remember when we lived in Hollywood?
Walkinâ€™ up and down the streets alone
I remember all the words you said to me
I remember because you were stoned

And yes, we tried
But I could not get over
All the times you had to lie
Itâ€™s been hard
But I am finally ready
To look past your charm

Guitar Solo Hey!

Ha Ha! Well, itâ€™s good to be on my own
Donâ€™t gotta deal with your shit no more
You probably thought I wouldnâ€™t kick you out of my
home
But now that I have, I know you want more

And yes, we tried
But I could not get over
All the times you had to lie
Itâ€™s been hard
But I am finally ready

To look past your fuckin' charm

[I know] it was hard for you stay

[I know] that you couldn't walk away

[But now] I think we can give it up

[Right now] I don't want to push our luck
