She said  
She said  
And all the things that you had to know

I look in the mirror wash my face  
I try to tell myself you needed space  
She says Iâ€™m sorry itâ€™s just a passing fling  
Itâ€™s hard not to watch the phone until it rings

She said

How can you be so thick headed?  
You cannot see whatâ€™s in front of you  
Will it take an act of God to make you understand?  
Or do I hold your hand to prove to you

I see you standing there  
You run your fingers through your hair  
And you stare at me  
I see you stare at me  
And then the feeling changes  
I donâ€™t know where your smile has gone  
Weâ€™re back to friends again  
Just back to friends again

Can you tell me why I liked you?  
When you donâ€™t act the same way I do  
Maybe one day youâ€™ll see what you threw away  
And maybe that day we will run away

She said  
Oh!

Take a walk with me  
Iâ€™ll show you how great we can be  
Donâ€™t turn your head  
Did you hear what I said?  
Well, Iâ€™ll give you some time  
To think it over in your mind  
I have to make it clear  
I canâ€™t wait for years

Take a walk with me and hold my hand  
And I will try to make you understand (x4)

Take a walk with me and hold my hand  
And I will try to make you understand(x 3)

Take a walk with me and hold my hand
