Moving slowly
I'm Going nowhere
I can't figure out

Lost control
I can't stand still
What were you all about?

Really glad you showed me
Bleeding hearts tonight
I'm not the one you wanted

Really glad I told you
Dying here tonight
I'm not the one you wanted

Scratch the surface with your nails
Don't bother me with lies
Hold my body next to your
It's comforting inside

Really glad you showed me
Bleeding hearts tonight
I'm not the one you wanted

Really glad I told you
Dying here tonight
I'm not the one you wanted

Will we laugh again?
Wearing me so thin
Changing thoughts from yesterday

Look into my eyes
Tell me it's all right
Make it words from yesterday

Really glad you showed me
Bleeding hearts tonight
I'm not the one you wanted

Really glad I told you

Dying here tonight
Iâ€™m not the one you wanted
