The day I first met you  
Well I thought it quite funny  
Your eyes were so damn blue  
Your smile was a drug, your style was money

So what does it all mean?  
To find someone who makes you cry inside?  
Shes got the players on her team  
How could I smile when all she did was say HI?

--chorus--

That one day when he is gone  
Ill get my chance to ask you out  
And then I'll show my colorful life

I'd like to be like you  
With a rep like yours my little honey  
Im not sure what I can do  
Just know that I aint no f\*\*\*\*n dummy

So what does it all mean?  
To try so hard to get the right word out  
Well I wish I can come clean  
I'll give it my all but I have my doubts

--chorus--

That one day when he is gone  
Ill get my chance to ask you out  
And then I'll show my colorful life
