I see the walls
Then see them fall
You break through them all

I see you crawl
Now you stand tall
Grow and grow till tall

In stonehill scream
Against the stream
Our eyes watering

Jump into lakes
The surface breaks
We swim underwater and are now
Into
You

We all want to grow
In the seeds we were sown
We all want to go
With the breeze we were blown
We all want to know
And we're all meant to go
To a place in the now

A sea forest
A treasure chest
Full of labyrinths
I see a door
Holes in the floor
Degrades your sweet call

There's some sense you bring to us
You pin both the wings on us
I hear, see you sing for us
You go tie a swing around us

There's some sense you bring to us
You pin both the wings on us
I hear, see you sing for us
You go tie a swing around us

We all want to grow
In the seeds we were sown
We all want to go
With the breeze we were blown
We all want to know
And we're all meant to go
To a place in the now

We all want to grow
In the seeds we were sown
We all want to go
With the breeze we were blown

And we're all meant to go
To a place in the now
