Everyone, everyone, everyone, everyone

You'll know when's time to go on
You'll really want to grow and grow till tall
They all in the end will fall

You'll know when's time to go on
You'll really want to grow and grow till tall
They all in the end will fall

You'll know when's time to go on
You'll really want to grow and grow till tall
They all in the end will fall

Grow till tall, they all in the end will fall

They in the end will turn and fall

You'll know, you'll go
You'll know, you'll know
You'll know, you'll know
You'll know

You'll know, you'll know
You'll know, you'll know
You'll know, you'll know
You'll know, you'll know

You'll know, you'll know
You'll know, you'll know
You'll know, you'll know
You'll know, you'll know
